WELCOME TO OUR FAMILY

Welcome aboard OUTboulder!

Whether you are one of our incredible alumni wearing a silver lanyard and sporting a five-timer jacket or a newbie joining us for the first time, we are thrilled to welcome you aboard in Lisbon!

This is going to be an incredible trip full of fun, new friends and memories that will last a lifetime. There's nothing better than exploring the world with our amazing LGBTQ+ family.

As we set sail through the magical Iberian Peninsula, keep in mind that this trip only happened because of YOU! It's you and your commitment to the dream of **OUTbound** that makes these fantastic trips happen. We can't begin to tell you how grateful we are for your love, support and enthusiasm.

Thank you for being such an important part of this amazing family.

Welcome aboard **OUTboulder**!

GET READY ALREADY

Review Your Boarding Documents

A valid passport is required for all guests. Your passport must match the information you provided when registering for your cruise.

Please note that you must have all necessary documentation before boarding the ship. Failure to provide proper and valid documentation will result in denied boarding, and no refund will be provided.

Visa Requirements

While most guests from the United States, Canada and Australia do not require a visa for this itinerary, guests from other nations are responsible for any necessary visas and should confirm requirements with the appropriate embassies for the countries we're visiting on our cruise.

EU Entry and Exit System (EES)

US, Canadian and Australian citizens will need to go through the EU's new Entry and Exit System when traveling to a Schengen Area country. This applies to any visits lasting up to 90 days within a 180 day period.

Your fingerprints, facial image, passport details, and entry and exit dates will be collected upon entry to an EES country and stored digitally. You do not need to pay a fee to enter the Schengen Area or the EU. The new system will be introduced gradually, and no advanced action is required.

There is no online application, advanced registration, or fee required. The EES is a biometric border control system that replaces traditional passport stamping. You will complete your EES registration in-person at a self-service kiosk or border desk the first time you enter a Schengen Area country.

Register Your Cruise Online With Azamara

Make sure you have registered your cruise online with Azamara at [Azamara.com](https://www.azamara.com).

Registering only takes a few minutes and will ensure you can embark quickly. By now you should have received an email with your Azamara registration number and instructions on how to register your cruise. Please contact our office at **916.683.1000** or **reservations@iamOUTbound.com** if you do not have this email.

Please note that each stateroom has only one Azamara registration number. If your spouse, partner or guest staying in the same room with you did not receive their email, please know that they need to use the same booking number as you for their registration.

WHAT TO KNOW BEFORE YOU GO

Flights

If you're flying into Lisbon on the day our ship departs, allow enough time to arrive at the pier before embarkation. Since our cruise begins in Lisbon and ends in Barcelona, many **OUTbounders** are booking a multi-city ticket, flying into Lisbon (LIS) and home from Barcelona (BCN).

Since our ship sails at 5:00pm, **we do not recommend any flights arriving in Lisbon after 12:00pm on Sunday, August 30th.**

If you are leaving us in Barcelona, we will begin disembarking at approximately 7:00am. **We do not recommend any flights departing Barcelona before 12:00pm.**

Airport transfers in both Lisbon and Barcelona can be arranged through Azamara's website where you book your 'Transfer Requests'.

Dress Code Onboard

You'll find a casual, comfortable atmosphere with no specified dress code on board an **OUTbound** cruise. Sportswear and casual resort attire are always appropriate. There are no formal nights and no need for a jacket and tie. We only request that you show good taste and respect for your fellow **OUTbounders** during dinners. That means no gym-like tank tops, gym shorts or super-revealing party outfits in the main restaurant Discoveries or either specialty restaurant, Prime C or Aqualina.

Feel free to 'take it down a notch' if having dinner in the Windows Café or the Patio Grill where gym shorts and tank tops are more appropriate.

What to Pack

Plan for warm, even hot weather as we sail through Portugal, Spain, Gibraltar and the Balearic Islands on our Spanish Treasures Cruise. We recommend loose, comfortable cotton and other lightweight clothing. Don't forget a hat!

In the evenings, expect warm temperatures with lighter breezes, especially in port and on deck. All of our ports are very relaxed and don't have dress codes. We suggest casual resort wear and a great pair of walking shoes for the tours. Daytime at sea is the time for swim wear and flip flops. Bring sunblock!

Currency

Our ship operates in U.S. Dollars. We recommend using a credit card if possible and always selecting the "local currency" option at each port to avoid transaction fees. Most of our ports on this cruise use Euros, while Gibraltar uses the Gibraltar Pound and British Pound Sterling. Keep in mind that Visa and MasterCard credit cards are widely accepted throughout the countries we will visit, but American Express may not be. We recommend carrying a small amount of cash for tipping and short taxi rides.

BOARDING OUR SHIP

Getting to the Port in Lisbon

Our ship, the Azamara Quest, is scheduled to sail from...

Lisbon Santa Apolónia Cruise Terminal
Av. Infante Dom Henrique Armazém B, Loja 8
1900-264 Lisboa, Portugal

The port is about a 30 minute drive from Lisbon International Airport, depending on traffic. Taxis and Ubers are the best ways to get to our ship from the airport.

You can also arrange your airport transfers with Azamara on their website on the 'Transfer Requests' page.

If you are staying with us at our host hotel as part of our pre-cruise package, your transfers from our hotel to the ship are included. Watch for an email with your transfer voucher and departure time.

*** Keep in mind our departure dock is subject to change. Please check back before arriving in Lisbon for the most current docking information.**

What Do I Need to Check In?

Since you have already registered your cruise online with Azamara, you will only need your passport to check in for your cruise and a credit card to have on file for any additional onboard expenses you incur during our trip.

Lost Luggage Assistance

If your luggage does not arrive with you, please do all the following:

1. Get a complete report from the airline, including your luggage's original bag receipt and tracking number. Make sure that you tell the airline that you are boarding the Azamara Quest.
2. Upon arrival on the ship, go immediately to Guest Services, where they will make a copy of your lost baggage report. The ship will attempt to track your luggage and follow up directly with the airline.
3. Be patient. Depending on the airline, it might arrive prior to sailing. Our port agents will attempt to deliver any lost luggage directly to your room in concert with the ship. If your luggage does not arrive, they will keep you informed with the latest news from your airline.

Please understand that neither **OUTbound** nor Azamara has lost your luggage. We can only assist you in recovering your luggage from the airline and in communicating with them. Ultimately, the airline is responsible for any loss or inconvenience you encounter. However, in our experience, most bags turn up in the first 48 hours.
